

Connectivity to Help Manage Complex Claims

A single sign on transparent view into a policyholder journey

What is the Claims Portal at Accelerant?

The **Claims Portal** connects claims service providers, Accelerant, and Members one platform to communicate and access shared information.

How does it work?

The **Claims Portal** provides Members with access to larger and more complex claims that have been referred to Accelerant.

Why is it Important?

Our Member's claims service is paramount to the policyholder. We believe Accelerant and our Members should be connected to the entire policyholder journey.
