

**Accelerant is a modern tech-fueled insurtech reshaping the way that small and medium business insurance is transacted.**

We specialize in serving a carefully selected network of MGAs, who we call Members.

### Member-Centric

Accelerant is organized around partner MGAs and program administrators. We provide modern proprietary technology tools, data-driven portfolio insights, as well as operational and regulatory support to help accelerate business growth.

### Distribution

Accelerant works with a limited number of carefully selected and trusted Members.

#### *Member selection criteria:*

- An established track record of profitable underwriting
- A trusted management team
- A strong distribution platform
- Business focused on smaller commercial clients with relatively low sums insured
- A like-minded approach to doing business
